- ◆ Jo & Chucks need to be purchased to participate (Sai and Snords will be provided)
- ◆ Any across, down or diagonal wins a prize!
- ◆ Complete the entire board and WIN A FREE MONTH'S TUITION!
- ◆ 3 Demo Team Classes may be used to make-up up to two boxes. (1 box per 3 classes)

Student

Core Skill Night “dates” reference the week that box may be won. Core skills may be earned at any regular class. Dates listed below do not count as Core nights.

There are 5 self-directed “homework” boxes: Pivot Kick Drill & Walking Basics must be practiced at home and demonstrated at the start of class. Student needs to let the instructor know upon arrival and will be checked at the beginning of class. Pivot Kick Drill and Walking Basics will be taught in class but student may not demonstrate the same night. The idea is to practice at home and remember. Students are given an unlimited number of days they may demonstrate, but for the sake of time only one demonstration will be allowed per class.

Mahoots are available on our website. These are study guides for history and terminology. Black Belts will make sure to review terminology in class. Upon completion of the Mahoots online, Joseph is notified of the submission.

Social Media reviews may only be submitted by adults over 18 years of age. Each child in a family will receive credit for a parent’s Social Media review. Social Media includes Facebook, Google Maps and Yelp! For example.
